

Vaping /E-Cigarette by Student-Athletes Clear Spring HS

In an effort to foster healthy behaviors and to deter the epidemic of vaping in our youth, Clear Springs Athletics has developed a vaping policy. This policy includes possession or use of a vape, E-cigarette or Juul on school premises and while participating in any school related activities off campus as well. It is important for our athletes to understand the need to exercise healthy decision making, and know that poor decisions can negatively impact opportunities to compete and/or participate in our athletic programs.

We want it to be clear that we have a high standards and expectations for the behavior of all of our athletes. If an athlete makes a choice to possess or participate in vaping they will receive the following consequences in addition to the campus discipline assigned to students detailed in the CCISD Student Code of Conduct.

CONSEQUENCES:

1st OFFENSE: 1 Week Suspension from competition

2nd OFFENSE: 2 Week Suspension from competition

3rd OFFENSE: Removal from the program

***Offenses and consequences will carry over from sport to sport within the same academic school year**
